

MB Docket No. 04-233

October 18, 2004

For K-LOVE everywhere and my community of 88.7 FM.

K-LOVE radio is the only positive uplifting radio station that I listen to. I also support K-LOVE with monthly donations. K-LOVE is the only radio station that can connect me to the entire community in Portland, Oregon and around the United States.

The community of K-LOVE is a vast and ever reaching community that spans all over the United States with over 180 supporting communities. My family and friends are living in various communities over the United States, I feel even closer and more connected to them as we all go about our daily lives. My friends and family live in these K-LOVE communities: 1) Casper, WY, 2) Cheyenne, WY, 3) Minneapolis, MN, 4) Grants Pass, OR, 5) Medford, OR, 6) Bismarck, ND, 7) Fargo, ND, 8) Scottsbluff, NE, 9) Portland, OR.

It is extremely important for me to be able to listen to K-LOVE in my car before and after work. Listening to K-LOVE helps me to prepare my mindset before I enter the classroom and teach students and listening to the encouraging messages to help me wind down and find hope.

K-LOVE is the only radio station that I can trust to ears of all ages. K-LOVE is the station that I listen to. Without K-LOVE in my life to help me deal with the daily stress of being a teacher, I will fall apart. K-LOVE gives me hope and encourages me to continue. If losing K-LOVE will have this affect on me, than I am sure that the local community of K-LOVE in Portland, Oregon will also become a more distraught place to live. Many listeners of all ages are counting on K-LOVE and its supporting listeners to keep K-LOVE on the air.

In conclusion:

1) K-LOVE provides a positive alternative that all ears can hear. Their messages uplift and encourage everyone who listens to it. I do not know of any resource that serves the local community without commercials in such a positive way.

2) If K-LOVE is displaced by an LPFM broadcaster with another program the local community of K-LOVE listeners will be devastated, as there is no other alternative.

3) K-LOVE radio serves the best public interest by providing the message of love NOT hate. K-LOVE encourages listeners to love each other and treat others the way they would like to be treated. When the listeners learn to act and react to others with love, no one gets hurt. Positive encouragement make positive people, who are willing to love and care for each other. The opposite needs no discussion as we all see the negative results of the negativity that is blasted at us on other radio station.

Please do not give the power to the LPFM stations.
